We all win when basic needs are met, when a child succeeds in school, when families are financially stable and when people are healthy and productive members of society. The 2019 United Way of Pettis County Campaign is underway, and this years' goal is to raise \$550,000 to be **invested in solutions to hunger, childhood development and mental health/substance abuse disorder initiatives** and allocated to **20** agencies right here in Pettis County. This includes the Dolly Parton Imagination Library introduced to Pettis County in July 2019. This program allows families to register a child from the age of birth-5 to receive an age appropriate book each month of their life until the end of their 5th birthday promoting early literacy. This is of no cost to the family and anyone residing in Pettis County can apply.

By giving through the United Way you are reaching the largest number of people through organizations that are doing the very best programming in the region, and who are held accountable for results. The local United Way of Pettis County volunteer Board of Directors, Finance Committee and Work Groups, invest, and distribute all monies locally – helping make Pettis County the wonderful place it is to live, work, and raise a family.

A full list of locally funded agencies can be found online at www.spcuw.org, under “Our Work,” “Funded Partners.”

If you have previously supported United Way of Pettis County or have already made a pledge to support the 2019 Campaign, we thank you very kindly.

For everyone is who able, we ask that you please consider investing in your community this year with a donation to United Way of Pettis County that is meaningful to you. There is no amount that is too small.

There are several convenient ways to make a tax-deductible donation:

- Employer Payroll Deduction - simply ask your employer or contact United Way to set this up
- Credit card donations are always accepted online through the “Give” tab on our website
- Checks made payable to United Way of Pettis County, 3615 W. Broadway Suite 307, Sedalia, MO 65301.
- Stock, will or trust - simply call United Way for more information!

United Way of Pettis County board, staff and volunteers thank you for your time and consideration of supporting the United Way 2019 Campaign!

Together, we're building a better community for all of us, and that's what matters.

Sincerely,

Staci Harrison

Executive Director
United Way of Pettis County
