We all win when basic needs are met, when a child succeeds in school, when families are financially stable and when people are healthy and productive members of society. The 2020 United Way of Pettis County Campaign is underway, and this year's goal is to raise \$415,000 to be **invested in solutions to hunger, childhood development and mental health/substance abuse disorder initiatives** and allocated to **15** agencies right here in Pettis County to support programs that help drive the UW initiatives and to assist families with income stability. This includes the Dolly Parton Imagination Library. Introduced to Pettis County in July 2019 currently supporting 570 children which is about 20% of the eligible population. This continuously growing program allows families to register a child from the age of birth-5 to receive an age appropriate book each month of their life until their 5th birthday promoting early literacy. This is of no cost to the family and anyone residing in Pettis County can apply.

By giving through the United Way you are reaching the largest number of people through organizations that are doing the very best programming in the region, and who are held accountable for results. The local United Way of Pettis County volunteer board of directors, finance committee and work groups, invest, and distribute all monies locally – helping make Pettis County the wonderful place it is to live, work, and raise a family.

A full list of locally funded agencies can be found online at www.spcuw.org, under “Our Work,” “Funded Partners.”

If you have previously supported United Way of Pettis County or have already made a pledge to support the 2020 campaign, we thank you very kindly.
