## **Staff**

*Rachelle Simon,  
Executive Director*

Dear Community Partner,

Our community thrives when basic needs are met, when a child succeeds in school, when families are financially stable and when people are healthy. The 2024 United Way of Pettis County Campaign is underway, and this year's goal is to get business and organizations to become **funder partners**, invested in education, health, and financial stability, and willing to **dedicate some of their time, talent, and resources** to improve the lives of everyone in Pettis County.

By giving to the United Way of Pettis County you are reaching the largest number of people through programs and organizations that are serving your local community. For example, 11,626 individuals (27% of the population) were impacted by United Way and our 16 funded partner organizations in 2022. The local United Way of Pettis County volunteer Board of Directors and Finance Committee distributes 99% of the money raised **locally** – helping Pettis County to be a wonderful place to live, work, and play.

We ask that you please consider investing in your community this year with a donation to United Way of Pettis County. You, as business or organization, can role model and encourage your employees to invest back into our community. Every donation makes a difference. It takes each and every one of us saying our small yes to make a HUGE impact!

There are several convenient ways to make a tax-deductible donation:

- Run a Campaign at your Business or Organization. Through Employer Payroll Deduction or Fundraisers – As a business that cares about the community, contact United Way to hear about ways you can encourage your employees to give back!
- iPledge or DineUnited – Your business or organization gives directly to support UWPC through making a pledge for 2024.

United Way of Pettis County board, staff and volunteers thank you for your time and consideration of supporting the United Way 2024 Campaign!

As you **Give Where You Live**, I believe together we can do so much to better our community!

Thank you,

*2024 Campaign Committee  
United Way of Pettis County Board of Directors
